Choose your quality of fabric:

Good: Cotton

Traditional, best-looking material. The material of choice for ceremonies or military honors. Best for short-term outdoor display or indoor use. Perfect for special events.

Better: Nylon

Our most popular flag for outdoor home use. Your best value. Best material for retaining brilliant color. Quick-drying...ideal for rainy conditions. Lightweight...flies with the slightest breeze.

Best: Polyester

Our toughest, strongest, longest-lasting flag. Engineered for industrial, commercial, or institutional use. Ideal where high winds, stressful or extreme conditions exist.

According to popular usage, the length of the flag should be approximately 1/4 the height of the pole.

How Long Will My Flag Last?

Our flags meet or exceed the federal standard of 90 days of use (sunrise to sunset, with protection during inclement weather).

For best results, do not expose your flag to rain, snow, or abnormally high winds, as these elements can shorten your flag's life considerably.

Avoid flying your flag when it is wet. Flying a heavy, wet flag in the wind puts excessive strain on the fabric and stitching, and will greatly reduce the life of your flag. Should the flag become wet, spread it out and allow it to dry completely.

Regardless of how well it is constructed, a flag is not indestructible. Since they're made out of fabric and subjected to the elements, flags will wear out sooner or later. Reasonably good care of your flag can contribute greatly to give it a longer life.

Ordering Your Uniform Cap Is Easy!

Simply Answer Each Of The Following Questions!

1. What style cap do you need?

That's easy. Simply choose your cap from those listed below:

- Post "State" Cap:** Solid blue cap with your State name spelled out in full.
- Post "City" Cap:** Solid blue cap with your City name in full, and your State name abbreviated.
- County Cap:** Solid blue with white piping and white letters. Your County name is in full, and your State is abbreviated.
- District Cap:** Blue cap with white crown. Your District name in full, and your State is abbreviated.
- Department Cap:** Solid white cap with your State name in full.
- National Cap:** Solid red cap with your State name in full.

* Note: Past Officers may only wear Post Caps.

** County, District, Department & National cap orders must be sent to your Department Headquarters for approval if your state is listed here: AL, KS, LA, MA, MD, MT, NC, NE, NM, NY, PA, PR, SC, SD, TN, TX

2. Do you want your cap lined or unlined?

- Lined caps** have a smooth gold nylon interior lining that will give your cap an extra level of comfort. All County, District, Department and National caps, as well as all Women's caps, automatically come with lining. It is optional for Post caps.
- Unlined caps** are available for Post caps only.

3. What type of crown do you want on your cap?

- Regular crown**
The traditional Legion style.
- Fort Knox crown**
Often worn with the crown pushed down in the center, leaving the cap pointing up at both the front and back ends.
- Women's crown**
Modified style for Lady Legionnaires.

4. What should my Left-side Lettering be?

That depends on which Cap Style you chose in your first step. Here's your guide:

Cap Style	Left-Side Lettering

Post "City" Cap	City name in full, State abbreviated
County Cap	County name in full, State abbreviated
District Cap	District name in full, State abbreviated
Department Cap	State name in full

5. What do you want for your Right-side Lettering?

Your Post number goes here — free of charge. After that, it's up to you! Additional lettering may be added to your cap @ \$1.25 per letter for standard gold letters. (White or red letters may be added @ \$1.75 per letter.) All lettering will be in a straight line. (Curved lettering is an additional \$1.25 per letter.)

Cap Etiquette

- The left side (emblem side) of the cap is reserved only for the Legion emblem, city, county, district, or state lettering.
- If desired, the following items must be placed on the right side of the cap:
 - A) additional lettering, restricted to either the name of a Post, or to an officer title (such as “Past Commander”),
 - B) cap insignias or badges (for Past or Present officers),
 - C) consecutive membership insignia, membership stars, and/or authorized Legion or military services decorations.
- Names or nicknames of individual members cannot be used on caps.
- The Legion Uniform Cap should be worn by its members only when in attendance at official Legion meetings or ceremonies, or as official guests at patriotic or other civil functions, or by individuals when officially representing The American Legion on public occasions.
- A member is considered to be in uniform if wearing an official Legion Uniform Cap. Therefore, it is not proper to wear the cap while eating a meal at an official Legion or civic luncheon or dinner.
- The cap should be worn in a place of worship only by the Guard of Honor, Color Guard and Commander of same while in marching order or standing guard. When returned to and seated in pews, the cap should be removed.
- Legion posts marching in formation into a place of worship should uncover, at the door, hold the cap with the right hand over the heart until the arrival in the pews and commanded to take seats, remaining uncovered during the entire service. At the close of the service, upon command, the post shall arise, the members holding the cap with the right hand over the heart will march out of the place of worship, and recover after marching through the door.
- Legion members not in formation will uncover upon entering the place of worship and remain uncovered during the entire service, and will recover after leaving the place of worship.
- When at a funeral, the cap should be held over the heart as one approaches the casket, and is not at any time worn in a place of worship (except by the Guard of Honor, Color Guard or Commander of same while in marching order or standing guard). At the graveside, the cap should be held in the right hand over the heart during the entire service. In cold and inclement weather, the cap should not be worn.
- In Legion meetings, the cap should be worn except during moments of the Pledge of Allegiance, prayer, and when standing in silent reverence in memory of departed comrades, when the cap should be held with the right hand over the heart.
- Female members of the Legion should wear their caps in the manner prescribed for female personnel of the armed services.

Motorcycle Parade Flag Holder

A ready-made, high-quality parade-use flag holder. Innovative design, versatile, easy on-and-off. This parade flag holder bar is designed to fit any motorcycle with a trailer hitch. It includes a chrome receiver bracket that is permanently bolted onto the trailer ball and will not interfere with your trailers coupler (for Harley Davidson® FLT™ & FLH™ models, two small receiver tubes bolt onto the lower fender, and or saddlebag supports, and remain virtually unseen). The flag holder bar can then be installed or removed from the receiver bracket in seconds by removing two safety pins.

- Includes one flag holder socket. One or two more can be added (sold separately, #120.222) to accommodate up to three flags.
- The sockets accommodate up to 1¼" diameter poles, and are machined at a 150-degree angle to their bases. They can be rotated and tightened to display your flags, angled to the rear, sides, diagonally, or any combination of these.
- All components are machined from aircraft quality aluminum and steel, then polished to a flawless finish and triple chrome-plated.
- Flags and poles not included.
- Made in USA.

- Fits inside a Harley saddle bag, trunk or Gold Wing trunk.
- NOTE: While this pole will withstand a 100lb. load, it is recommended for use at a maximum speed of 25 miles an hour (due to the adverse handling that a flag can cause at higher speeds.)
- Works great with our Parade Flag Holder 120.220

- Made from lightweight and strong aircraft aluminum tubing.
- Features a durable silver anodized finish, quick release flag mounting clips, and topped off with an attractive gold ball.
- Designed for displaying flags up to and including 3' x 5'. (Flag not included)
- Made in USA.
- NOTE: This flag pole is meant for parade use only, and is recommended for use at a maximum speed of 25mph (due both to the adverse handling that a flag can cause at higher speeds, as well as the load limit of the flag pole.)
