Poppy Label Attachment

1. Locate the 2 small holes at the end of the label.

2. Thread the stem through the top hole, then slide the label up the stem to the poppy.

3. Bend the stem up, and thread it back through the bottom hole.

4. Pull the stem through the bottom hole, and straighten.

The poppy is a nationally-known symbol of sacrifice. Auxiliary members wear and distribute the poppy to honor the men and women who served and died for their country in all wars.
